Advanced Needle Threader

Threading a needle has never been easier than with this innovative threader. With just a few simple motions, your needle is threaded and ready to use – it's so easy, you can do it with one hand!

Quick-Set, Top-Loading Bobbin

Avoid the struggle of changing your bobbin with the Quick-Set feature. Simply drop your bobbin in the machine, pull your threads through the slot, and let your machine do the rest of the work.

Quick-Set Bobbin Winder

The Tempo takes all of the hassle out of sewing – including winding your bobbins! The winder seat holds the thread in place and stops automatically when the bobbin is full.

FOR THE LOVE OF SEWING

Introducing the Tempo from Baby Lock

I love the creativity that comes with quilting. There are no limits to your fabrics or stitches, so you can always have fun. So when I first started quilting, my Baby Lock Retailer knew the Tempo was the perfect machine for me. I love the ease of the Advanced Needle Threader and the Quick-Set, Top-Loading bobbin. With variable speed control, this machine is perfectly in rhythm with my personal pace. And with 80 built-in stitches and 7 snap-on feet, I can really quilt to the beat of my own drum.

Push Button Features

With a suite of push button features, your sewing projects have never been easier to complete. Position the needle up or down, reinforce any stitch with the reverse sewing button, or sew without a foot control using the start/stop button.

Stitches

Projects such as quilting, home décor, and crafts require specialty stitches. The Tempo includes dozens of built-in stitches that are perfect for the projects you choose to create.
